Discover Villa Saudara, a newly built property suitable to accomodate large groups.

The villa is equipped with all comforts and is nestled in a peaceful yet conveniently located area close to the best restaurants on the island like La Paloma, Balafia, Nagai, and just next door from our favorite workout spot Primal Moves Ibiza.

The house is composed by a **main house** (5 spacious bedrooms ensuite), and four different **guest houses** (4 bedrooms ensuite).

One of the bedrooms guest house has a kitchenette so it can be considered an independent studio / guest house.

7 bedrooms (of which 5 bedrooms in main house and 2 bedrooms guest house) can be considered master bedrooms: they are large, beautiful with plenty of light.

The last 2 bedrooms guest house are also large in size, but are built partially underground with skylights.
